

KELLOGG COMPANY
BOARD OF DIRECTORS

**AUDIT COMMITTEE
CHARTER**

February 16, 2018

Purpose

As more specifically described in this Charter, the Audit Committee shall assist the Board in monitoring (1) the integrity of the financial statements of the Company, (2) the independent auditor's qualifications and independence, (3) the performance of the Company's internal audit function and independent auditors, (4) the Company's Enterprise Risk Management process and key risks, and (5) the compliance by the Company with legal and regulatory requirements.

While the Audit Committee has the responsibilities and powers set forth in this Charter, the function of the Audit Committee is oversight. It is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are complete and accurate and are in accordance with generally accepted accounting principles and applicable rules and regulations. It is the responsibility of management to ensure that the financial statements are complete and accurate. It is the responsibility of the independent auditors to plan and conduct audits of those financial statements.

Committee Membership and Meetings

The Audit Committee shall consist of no fewer than three members. The members of the Audit Committee shall meet the independence, financial literacy and experience requirements of the New York Stock Exchange and the Securities and Exchange Commission, with the Board to affirmatively determine that the members are independent, and disclose that determination.

At least one member of the Audit Committee shall possess accounting or related financial management experience or education sufficient in the judgment of the Board to qualify as an "Audit Committee Financial Expert" under the Securities Exchange Act of 1934, as amended, with the Board to determine whether each member is an "Audit Committee Financial Expert," and disclose that determination. Audit Committee members shall not simultaneously serve on this Committee and the audit committees of more than two other public companies without receiving the prior approval of the Board of Directors.

The members of this Committee shall be appointed by the Board of Directors on the recommendation of the Nominating and Governance Committee and may be removed or replaced by the Board. The Chairperson of this Committee shall also be appointed by the Board of Directors on the recommendation of the Nominating and Governance Committee.

The Audit Committee will meet as often as it determines appropriate, but would be expected to meet not less frequently than quarterly. At each face-to-face meeting, the Audit Committee will meet separately in private session with the Company's independent auditors, Chief Accounting Officer, Chief Internal Audit Executive, and Chief Legal Officer. The Audit Committee may meet in private session with other members of management, as it considers necessary.

Committee Authority and Responsibilities

The Audit Committee shall have the sole authority to appoint, subject to shareowner ratification, or replace the independent auditor. The Audit Committee shall be directly responsible for the compensation and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work. The independent auditor shall directly report to the Audit Committee.

The Audit Committee shall, except as indicated below, pre-approve all audit services (including audit services relating to internal controls) and all permitted non-audit services (including the fees and terms thereof) by the independent auditors (and their affiliates). The Chairman of the Audit Committee is also delegated the authority to pre-approve such services and pre-approve or approve up to \$500,000 for such services. The Chairman shall present such approvals at the next full Audit Committee meeting. The Audit Committee shall consult with management but shall not otherwise delegate these responsibilities.

The Audit Committee shall have the authority, to the extent it deems necessary or appropriate, to retain, approve the services, determine the fees and other retention terms and terminate independent legal, accounting or other advisors. The Company shall provide appropriate funding, as determined by the Audit Committee, for payment of compensation to the independent auditor for purposes of rendering or issuing an audit report and to other advisors retained by the Audit Committee, and for ordinary administrative expenses of the Audit Committee that are necessary or appropriate in carrying out its duties. Prior to retaining any such consultant, or other advisor, the Committee shall consider whether the work of such consultant or other advisor would raise a conflict of interest, as well as any other factors the Committee determines to be relevant.

The Audit Committee may request any officer or employee of the Company or the Company's outside counsel or independent auditor to attend a meeting of the Committee or to meet with any members of, or advisors to, the Committee. The Audit

Committee may also, to the extent it deems necessary or appropriate, meet with the Company's investment bankers or financial analysts who follow the Company.

The Audit Committee will report to the Board at the next regularly scheduled Board meeting after one or more Committee meetings, will otherwise regularly report to the Board and will annually conduct a performance review of its activities.

The Audit Committee shall:
